FeeMaster for Access Control

Nortech's FeeMaster Smart Console provides a simple and cost-effective way of managing visitors or vehicle access - ideal for internal turnstiles and barriers or for external car park barriers.

All the access control data is encoded onto a Mifare card using the FeeMaster Smart Console. As a standalone system,

there is no wiring between the access control point and the console, making it easy and cost effective to install.

Click [HERE](#) to see our latest FeeMaster Smart brochure which clearly shows its mix and match flexibility and typical applications.

NORTECH will be at IFSEC on 18th-20th June

As Nedap's official UK distribution partner, Nortech are proud to be supporting Nedap on stand **IF2420** at [IFSEC](#) for the launch of their latest LUMO ANPR range.

Nortech will also be holding meetings with suppliers and customers at the [BSIA](#) VIP lounge on stand **IF2755**.

If you would like to arrange a meeting please contact the office on **01633 485533**.

Nortech is hoping for some sunshine

Nortech is looking forward to the return of some sunshine hopefully in time for our popular Summer Solstice BBQ on Friday 21st June 2019.

It is about time to bring the team together for a little fun in the sun (fingers crossed) so we can all enjoy some freshly marinated BBQ meats and vegetables along with some refreshing bubbles.
