

NORTECH

Nortech Bulletin: Issue 41 - Winter 2020

NVITE Gains Momentum

Since its launch, NVITE is fast becoming the go-to multi-technology reader. As COVID has changed behaviours and customer trends, the NVITE reader has emerged as a perfect contactless solution to help manage [visitor access control](#).

uPASS Case Study

Read Nortech's latest case study on how uPASS technology has helped facilitate asset management at Border Caravan Storage.
